Burglary Cases at Khanapur Town

338 SRI N. B. SIRDESAI (Khanapur).—Will the Chief Minister be pleased to state:—

(a) whether it is a fact that there have been increase in burglary cases at Khanapur Town since the last two months;

(b) whether it is a fact that those cases were not booked by the Police;

(c) if so, the reasons, therefore;

(d) whether it is a fact that previous burglary cases are also not detected by Police so far;

(e) if so, the reasons for delay?

SRI R. GUNDU RAO (Chief Minister).—

(a) Yes.

(b) Cases have been registered and investigated promptly.

(c) Does not arise in view of the reply to clause (b).

(d) No

(e) Cases have been registered and investigated promptly.

SRI N. B. SIRDESAI.—In your answer to (a) it is admitted that there has been increase in the burglary cases. May I know whether the increase in the number of burglary cases prove the efficiency or inefficiency of the police?

SRI R. GUNDU RAO.—You cannot judge that because one or two burglary cases have taken place there is efficiency or inefficiency of the police. There are so many reasons. The police have acted promptly and registered the cases. Whenever they get the complaint action is taken.

SRI N. B. SIRDESAI.—May I know many cases have been registered and investigated and how many culprits have been booked and punished?

SRI R. GUNDU RAO.—In 1980 there was one case of house breaking and the case was registered in the Khanapur Police Station and property worth Rs. 450 was recovered. Further investigation is going on.

SRI N. B. SIRDESAI.—May I know whether mere investigation and registration of the cases will serve the purpose of the duty of police?

SRI R. GUNDU RAO.—The only course available to the Government is to register the case and investigate the matter and take the matter to the courts. If any other suggestion is there from the Hon. Member he can give it.

SRI B. B. SAYANAK.—Sir, more than 50 thefts have taken place and you have said that one case has been registered. When the people have made complaints regarding 50 cases is it fair on the part of the police to have registered one case only?

SRI R. GUNDU RAO.—The Police have got the report of one case. They have registered the case and have taken up the investigation. If the police receive more complaints about the case they will take action.

SRI N. B. SIRDESAI.—Without registering the case how can the police act? Only the cases have been registered. But they have not been taken as yet. So unless the culprits are found out and punished how can you put a stop to these burglary cases?

SRI R. GUNDU RAO.—I said the investigation is going on. Definitely when they find out the culprits they will be booked and cases will be filed in the courts.
